

STUDIO POLICIES-Adults

REGISTRATION

We ask that a registration form be filled out annually for each student. Information changes throughout the year and we must keep everything up to date. An annual registration fee of \$50.00 will be charged to process each student and place them into a class. If you have registered for the prior Summer Program and paid a registration fee, you do NOT have to pay the fee again. This fee is only once a school year.

TUITION

There are two types of tuition in the adult division. There is the monthly tuition that follows the same fee structure as the young dancer fee schedule (based on one hour a week/four week months). The schedule is based on a sliding scale.

The other type of rate is based on a “drop-in” rate. The rate is \$35.00 for an hour of instruction. No registration fee is due for this type of payment but the \$35.00 is due at the beginning of the class. We do ask that you sign our waiver form for the drop-in class. This drop-in rate does NOT include Zumba class.

Our wedding instruction packages are quoted case-by-case.

All students are charged per month and the tuition is based on how many hours a student takes per week in a four week monthly period. The monthly tuition is due the first class of each month. If tuition is paid after the 10th of the month a \$25.00 late fee will be charged. If a student goes beyond two months without paying, they will be suspended from class.

DRESS CODE

Please use common sense when it comes to shoes. The marley Harlequinn dance floor we have installed is very expensive and requires a certain amount of maintenance in order to keep it's non-slip qualities. Please...no stiletto's or other shoes that might damage the floor. If you are unsure, please ask you instructor.

SALSA/SWING

These classes are beginner to intermediate. You do not have to have a partner in order to participate. As these classes are new, you will benefit from the smaller class size but our aim is to make these classes large.

ZUMBA

The Zumba classes are twice a week. You are not required to take both. If you take class once a week and you miss a class, feel free to sign up for the other as a make-up class. Cost for Zumba is \$20.00 per class.

HOLIDAYS

At the beginning of the fall season we publish a calendar with the times that we will not have class due to holidays. We take time off for Thanksgiving, Christmas and Easter. We do not take time off during the ski break, Columbus Day, Veteran's Day etc. Holiday time is made up during months that have five weeks instead of four.

We look forward to your participation in our programs and we are confident that your student is getting the best dance and performing art education anywhere in the country.

Please note: These policies may change from time to time based on

enrollment.
